

Green Point Preparative Meeting, 1862-73

Archives: H -12 -1

This minute book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. In 2005 the original document was digitally filmed but not transcribed until 2017. The pages of the original document were not numbered and the image numbers below refer to this digital copy. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Minor changes to paragraphing were done to make reading easier especially in the case of long run on sentences. Transcribers notes are in square brackets and hard to decipher words are indicated with question marks.

This updated and proofread transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading was done by Carman Foster. CFHA wishes to express its gratitude to those who worked on this project.

West Lake was established in 1803 as a Preparative meeting under Adolphustown Monthly Meeting. In 1821, West Lake was established as the Monthly Meeting and Adolphustown became a Preparative meeting. Subordinate meetings were Green Point, Ameliasburgh, Haldimand and Cold Creek. The earlier books fro Green Point have not survived. In 1828 the Quakers separated in two factions and this book was maintained by the Hicksite Quakers.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details, and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it revealing about the life and times of these early Quaker settlers in Upper Canada. A microfilm done in 1974 is available at the Archives of Ontario. A more recent filming of the original minute book done by Ancestry.com is on line with a searchable nominal index. This full transcription and the Ancestry images will complement each other.
