Lobo Township is in Middlesex County and situated a few miles west of London, Ontario. The township was settled around 1834 in part by Quakers from the Pelham area and directly from Pennsylvania. In 1849 the growing Quaker community was granted indulged status by Norwich Monthly Meeting. In 1850 the first meeting house was built. Soon the meeting house was no longer adequate and was replaced by the current brick meeting house in 1859 at the small village of Coldstream. In 1857 the meeting became a Preparative Meeting under Norwich Monthly Meeting. Arthur Dorland in his *A History of the Society of Friends (Quakers) in Canada*, 1927 & 1968, states that Lobo Meeting became one of the most progressive centres of the Hicksite Branch of Friends in Canada [172]. In the 10<sup>th</sup> month 1930 it was decided to continue the prep meetings but only twice a year.

In 1893, since Lobo was the most active meeting within the Monthly Meeting it was decided that the name of Norwich Monthly Meeting should be changed to Lobo Monthly Meeting [Dorland, 172]. According to Jane Zavitz Bond, in the 1980's Lobo Monthly Meeting became Coldstream Monthly Meeting and Yarmouth was set off as Yarmouth Monthly Meeting at Sparta. Coldstream is still an active meeting and Coldstream Friends Meeting has a website at [coldstreamquakers.com](http://coldstreamquakers.com).

The F.D. School Committee submit the following report. –

The committee to have charge of the First-Day School for the past year present the following report to the Preparative Meeting held 4<sup>th</sup> of 12<sup>th</sup> mo. 1912.

The school was divided into seven classes, the two Infant Classes taking the lessons found in the “Scattered Seeds” the remaining five taking the “Ethical Lessons from the New Testament” prepared by Friends At the end of the first quarter we could not secure the second quarter so changed to the “Graded Course” Topics selected from the International Series. The teachers take their turn in reviewing the lessons one each week.

We have distributed “What to Do” and the Mayflower to the four younger classes both are weekly papers and the two infant classes have the “Scattered Seeds”

The interest in our School the past year is very encouraging. We have had a total enrolment of 85 with an average attendance of nearly 53 – the largest for several years back. The highest number at school one day was 66 and the lowest 40. This is not counting four very interesting sessions on Philanthropic work, one at the end of each quarter.

We have secured books to the value of \$7.20 which we feel will quite renew the Library. Mention must be made here of a gift from a Friend of \$2.00 for the Library books, which was much appreciated. Some effort was made to start a home department but no definite work was accomplished.

Page 6

We held our usual enjoyable picnic on the Meeting house grounds, it seemed a time that was looked forward to by both old and young as the event of the summer about 130 attended.

After a very encouraging year we recommend that the school be carried on under the care of a committee for the coming year.

Signed on behalf of the committee

Sec. Dep. Report

The Secondary Department reports as follows, –

In May at a joint meeting of the two classes of the Secondary Division it was decided to hold social gatherings every two weeks during the summer. The evenings were divided into four divisions with a director for each. The divisions were music in charge of Mable Brown, games in charge of Dorothy Cutler, literature in charge of Anna Bycraft, and refreshments in charge of Annie Mitchell. In the 1<sup>st</sup> division a Young Peoples Chorus was trained for the Y.F.A. and our acquaintance with the Y.F.A. hymnals extended. In the 2<sup>nd</sup> division we played many of the old familiar group games and also learned some new ones. In literature we read Stoddards lectures on Norway and the Colorado Canyon and a portion of Dickens "Pickwick Papers". The meetings have been discontinued until spring.

The interest of the young people is shown by their regular attendance and the whole heartedness with which they enter into the spirit of the different divisions.

A Christmas entertainment was held in the meeting-house on the evening of 12<sup>th</sup> mo. 29 and proved to be a very interesting occasion. Readings, recitations and dialogues were enjoyed and the Christmas spirit of good cheer prevailed.

A picnic was held on the meeting-house grounds on 7<sup>th</sup> mo. 12<sup>th</sup>. The weather was ideal for the occasion and we were pleased to have Friends from Yarmouth and Norwich and Daniel Batchelor of Baltimore with us.

We recommend that a committee be appointed to have charge of the First-Day School next year.

The Carrie Cutler Estate was read as follows:

Balance on hand 1 <sup>st</sup> . 1 <sup>st</sup> month 1923.	\$82.98
Interest	<u>\$2.49</u>
Balance	\$85.47
Expenses	<u>\$2.00</u>

Debentures	
Interest	\$42.60
Paid for equipment	<u>\$13.02</u>
Balance in bank	\$29.58

The meeting is satisfied with this report.

A member of the meeting suggests that enough of the ~~an~~ accrued interest on the debentures be taken to make the present balance of the Caroline V. Cutler fund up to \$100.00 and purchase another debenture at 5%. This fund only draws 3% interest and also the interest deposited in the bank account. The expenditure out of this fund for a number of years, has been \$2.00 yearly. Therefore we would be able to add \$3.00 to the fund available for maintenance each year and still provide the same amount for care of above plot.

The suggestion met with the approval of the Meeting and Howard V. Zavitz, who was originally appointed custodian for the Caroline V. Cutler fund, is directed to make such provision, and the committee to invest in another debenture at an early date.

A letter of great interest was read from Samuel P. Zavitz telling of the different religious societies in Florida. Chester Brown is appointed to assist the clerk in making a reply, expressing our appreciation.

Report of F.D. School Com.

Report of First-Day School Committee –

The winter session met in two classes after meeting, continuing the study of Bible finishing the Epistle of Paul to the Romans.

Page 186

The F.D.S. opened for the summer the first First-day in Fifth month with four classes, Adult, Young Peoples, Intermediate, and Primary classes.

The Adult class entered upon the study of the series of lessons prepared by Friends' General Conference, the first quarterly of which is entitled "The Old Testament Idea of God". The second quarterly, "The New Testament Idea of God. They have been found very instructive, the only difficulty being the fact that too little time is devoted to preparation to get out of them and make it our own, a real measure of that which the Author has put into these lessons. They are as full of food for thought and practical application as an egg is of meat.

The young peoples' classes are studying the Bible starting at Creation and have finished the book of Genesis. These classes are equally interested in their lessons and appreciate the effort their teachers have made in helping them to become interested in Bible History.

During the summer another class was formed of younger children, they are studying the Heroes of the Old Testament.

The Primary class number 10 and 8 infants on cradle roll.

The total enrollment is 54 with an average attendance of 23.

To. New York Monthly Meeting –  
27-30 Gramercy Park.

Dear Friends –  
The

Your minute introducing Edgar T. Hole was presented at our meeting. Much ~~expression of~~ appreciation was expressed for his visit among us ~~was given~~ and a desire ~~was~~ voiced to send this message to his meeting, which so kindly released him that he might bring a ray of light and encouragement to such smaller meetings as ours. We feel ourselves somewhat isolated from the stronger Friends' centres ~~and so~~ therefore we ~~feel~~ are grateful for such visits, as they tend to link us more closely together as Friends. United effort furnishes greater strength for the Master's Work.
