

Nine Partners Digest 1769 - 1798

A book of testimonies, marriages, births, deaths, removals and the manumission of slaves.

This book, called a Digest, was filmed by the LDS and recorded as Vol. 2005. Images were provided by [Swarthmore College Archives](#) to CFHA in pdf format for transcription. The transcribers were Carman Foster, Moira Greenlee, Doug Smith and Randy Saylor. It was completed Feb. 6, 2015.

Each image shows two pages and the text is identified by the image number. The left and right pages are separated by a dashed line. There is a great deal of repetition in the wording of these records so three dots ... are used to indicate words skipped over. The first testimony, marriage, removal, etc that appears is fully transcribed so that readers can see the nature of the wording used.

Images 6 to 40 are a typed index to the marriages, births, deaths, and manumissions of slaves in this film. The bulk of the film is testimonies and they are not indexed. The typed index was done by Robert B. Miller and is dated 1904. The index is not transcribed because the events are scattered throughout the transcribed volume and are searchable.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details, and see also the submission guidelines provided on the CFHA website.

Dear Friends whereas I had a right in membership but not taking heed as I ought to have done to the pure principle of Truth, which would have preserved in innocency, and purity and from bringing a sin on myself and a scandal on the society, but Contrary thereto gave way to a Libertine spirit which led me into disorders, such as being guilty of fornication with him that is now my Husband, and then denying the same to some friends when treated with, all which I am heartily sorry for and do Condemn the same and hope I shall find forgiveness ??? I am in measure sensible I have so highly offended, and I desire my friends would pass there my offences by and recieve me under their care again Mary Palmer formerly Mary Shearman

[Death Testimony]

Rheuben Pinkham Departed this Life the 30th. day of the 7th. mo. 1770 which will move at Large appear by the followin Testimony of Concerning him and was Decently Interred in friends burying ground at Ninepartners

It Lied upon my mind to Give Some Short Hint of The Life and Conduct of Reuben Peckcom from the 5th. Mo. 1764 at which Time he Came to Live with Me upon Hire untill the fall of the year at which Time he set up his Trade of Shoe Making & Tanning Which he Continued as Long as his health would admit him. He Told Me Something of his Exerside of Mind to Remove from his Father's House Being in the Twenty first year of his age and that he was often Led to Cay [say] to the Lord to Direct him where To go and having his fathers Consent set out under that Engagement of Mind for Direction at Times untill he got here this I have to Remark that During his abode he was a steady attender of Meting, both For worship & Disipline when health would permit in which he appeared Solid and Waighty and at other [times?] his Live and Conversation was Exempleary ??? [smudged] ning the profession So Make his words being few ??? smudged he being young ??? [smudged]

??? [smudged] Witness appeared in their Consideration? ??? [smudged] often Caution them or with draw to Retire ??? [smudged] and I have thus further to Say that he'd Believe he was Truly a help to both Me and My family in a Religious Manner having a watch and Care over My Children for Good and in few Words it is My Mind that it Was the Steady Ingagement of his Mind that Truth and Righteousness Might Prosper on the Earth - In the year 1768 in the fall of s'd year he Complained of a weekness of body which Inceast tho Not to hinder him from some Business till some Time in the winter following after words was Mostly Confined to his Room and in the fore part of the summer following was Confined to his Bed and Disorder Gradually increasing So that he soon could hardly be Moved without Great Pain yet often Expressed Many Weighty Expression som of which is here after Mentioned in the following Transcript altho he often spake of Great poverty of spirit he Departed this Life the 30th. Day of the 7th Month 1770 In A quiet fraim of Spirit having his sences until the Last - Nine Partners the 12th. of the 11 Mo: 1770

Aaron Vail

Some of the Expressions of Reuben Peckcom ??? [smudged] on his Death Bed and Taken Down after his Disecase according as it was Remembered by Several Friends that hear it. A particular Charge was Given to Martha Vail the woman of the House where he Lived that his Love Might be Remembred to his father and Mothers Brethren and siseers and to tell them from him to prepare for such a Day as had

??? [2 ½ lines smudged] The 22d. of the 7th mo. 1770 this Day he Broke forth in a Rapture of Joy (tho for Some Days before he Complained of much Poverly of Spirit) Saying Praises Praises to my god who has Been Pleased to Pass by my Transgressions and after Times of greatest afflictions and Poverly of Spirit to fill one with Everlasting Praises. A Friend that sat by him Very Deeply affected said to him I have great Cause to Rejoice with the my Request Being answered for this is what I have this Night Laboured for Then he Spake with a Loud Voice Saying, Glory Endless and Everlasting Praises be ascribed to him who is Worthy to Receive all Honour or this Purpose I have said he Never had Cause to Repent giving up the morning of my Day to Serve my God who hath Safely Conducted me through many Dangers Even to this Day which is the most gloriest that Ever I saw. Oh may I said he Never forget this Visitation. The Next Day after being got up and his Bed made He said my Case is again filed. And as he was Speaking of the Dealings? of the Lord and how he had Conducted ??? [smudged] through the Whole Course of his Life and

??? [smudged] In to great crosses and ??? [smudged] many Tribulations he said the ??? seven ??? years of my Life I have Endeavoured to give up to be faithfull to What was made know to me to be my Duty being often Desirous that I might not move save in the cross but yet I cannot say I have Never been to fast nor to Slow - and therefor Some Time he spoke Not much only at Times Complained after this manner oh the Exceeding Poverly of my spirit what am I but a poore Creature Indeed I find No sin Laid to my Charge Unrepented of But I am Exceeding Poore In this State of Poverty he Ramaind until the 26th. Day of s'd month the forepart of S'd Day he was greatly Exercised with Pains of Body So that it seemed almost as if it would have Taken his Breath away and as he Lay as it were gasping and Cetching for Breath he spake

Suddenly with an uninterrupted Voice Saying Praises Praises be given to my god and than said he felt bravely his Pains being immediately abated. Some Time after it may be Twood? these? Days He said I believe the Time of my Departure Draws Near, a friends asked him if he was Easy it should be so, his answer was why I feel Pretty Poore But I think Can Say Quite Easy. A few houres before his Death which was the 30th. Day of the month ??? [smudged]

Image 182

??? [top of page is smudged] work was Nearly Done and he was Willing to go And then with a Strong Voice Sung Praises and said Hallalujah Hallalujah and High Praises Praises he Sung to my god. And to his Friends about him he Said be honest be Kind be Loving one to another be not over much Affected at this Time but turn your minds inward and Praise and Bless the Name of the Lord my God Because of his Wonderfull favours He visited me in my Very Tender years Engageing me in his Loving Kindness to forsake Vanity and Vain Company. I used to walk and keep Much a Lone Some Times almost Ready to Dispare of his goodness and some Times I thought I was forsaken and Never should see good But the Lord who is gracious and merciful was Pleased to Remember me and Led me throught Temtations that Ware Bitterer than Death and Caused me to forsake my fathers House Which was a Dark Corner of the Earth as to Religion and Since that I believe I have been moore faithfull - I will Leave that to you to Judge And he said to his friend Aaron Vail whom he often said was very Kind to him. I wish I wish thy Dear Sons were all here for they have been very Loving and Kind to mee And he Prayed Saying o Lord God Bless this Place and Lift up thy

??? [top of page is smudged] Countenance upon it I Pray ??? [smudged] the Whole World with the Knowledge of thy Self And then began to Sing Prases a friend spoke to him and said it me by those had better try to by still and Rest, he Lay still for the Space of about a minute and than said how Can I hold my Tongue my Soul is filled with Praises Praises and Hallalujah Hallalujah to my god that I had strenght to Praise and Bless thy Name o my God with thy Son the Immaculate Lamb Who is worthy Both Now and forever Amen. And Took his Leave of us that ware Present Taking us by the hand and Desireing us to Remember his Love to his Dear friends over the World when we thought it a Sutable Time Finaly Fairwell Be inward Turn your minds Inward and be Still and then he Lay Still for the Space of about Three hours appearing to be free from Pain and than Departed this Life being Sensable to the Last.
