

## Norwich Monthly Meeting 1834 – 1852

Archives: C-2-7

This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The transcription was done from the images of a filming available at the Archives of Ontario (MS 303, reel 6) under the coordination of Randy Saylor in 2018.

This book was last held by Conservative Friends and the book details disownments of Hicksite Friends so the book would have been in Orthodox hands after the Separation in 1828. Arthur Dorland in his book, *The History of the Society of Friends (Quakers) in Canada, 1927*, states that “the Hicksite Friends decided to withdraw from the Preparative Meeting at North Norwich to Pine Street Meeting in South Norwich where they were in the majority” [164-5].

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Carm Foster in 2018. CFHA wishes to express its gratitude to those who worked on this project.

The image numbers below refer to the digital copy. The text was transcribed as written, so researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets. Illegible words are noted as by a question mark.

In 1809 Peter Lossing, a member of the Society of Friends from Dutchess County, N.Y. visited Norwich Township, and in June 1810, with his brother-in-law, Peter De Long, and purchased 15 000 acres of land. Lossing settled there in 1811. The De Long family and nine others, principally from Dutchess County, joined Lossing the same year and by 1820 an additional group of about fifty had settled within the tract, many were Quakers. A frame meeting house and burial ground were established just north of Norwich village in 1817. See a paper about the Norwich Meeting in the [Canadian Quaker History Journal, No. 75, p.16 - 23.](#)

Meetings began in 1812 and Norwich Preparative Meeting was established in 1816 under Pelham Monthly Meeting. In 1819 Norwich became a Monthly Meeting and these meetings were established under Norwich: Yarmouth (Sparta), 1823; Malahide, 1822; Ancaster, 1816; Pine St (South Norwich), 1819.

(Copy) Pelham Quarterly meeting of ministers and elders held at Norwich the 18<sup>th</sup> of 6<sup>th</sup> month 1844

It appears by the answers to the fifth Query that a want of love and unity is found between Fredrick Stover and Thomas Smith a minister and an elder within the limits of Norwich monthly meeting which weighty matter brought this meeting under deep exercise for the welfare of the church, and after a time of sollid deliberation on the subject it became united in issueing the following advice. That for the time to come all disputes shall cease between them and be at an end, and all hardness done away, and that Fredrick Stover shall leave the weight of the ministry of Thomas Smith under charge of the Select members of this meeting; and as correspondent, at any time if the monthly meeting of Norwich shoud grant a minute to Thomas Smith to labour in his Gift Fredrick Stover should sign such minute, and leave the case with the church and he be released from the concern, which advice was agreed to by the parties - and under the weight that was brot over this meeting it was the united Judgment of this meeting that if either of the parties should disregard the advice of their friends so far as to disturb
