

Norwich Preparative Meeting (Men)

1829 - 1848

Archives: C - 5 - 2

This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The transcription was done from the images of a filming available at the Archives of Ontario (MS 303, reel 5) under the coordination of Randy Saylor in 2018.

This book was last held by Conservative Friends and the book details disownments of Hicksite Friends so the book would have been in Orthodox hands after the Separation in 1828. Arthur Dorland in his book, *The History of the Society of Friends (Quakers) in Canada*, 1927, states that "the Hicksite Friends decided to withdraw from the Preparative Meeting at North Norwich to Pine Street Meeting in South Norwich where they were in the majority" [164-5].

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Carman Foster in 2018. CFHA wishes to express its gratitude to those who worked on this project.

The image numbers below refer to the digital copy. The text was transcribed as written, so researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets. Illegible words are noted as by a question mark.

The following meeting minutes are missing: 1st Month 1831 to 6th Month 1831 and 4th and 5th Months 1833. Also, some pages were not bound in their proper chronological sequence suggesting the book fell apart and was rebound. These pages have been indicated and placed in their proper order.

In 1809 Peter Lossing, a member of the Society of Friends from Dutchess County, N.Y. visited Norwich Township, and in June 1810, with his brother-in-law, Peter De Long, and purchased 15 000 acres of land. Lossing settled there in 1811. The De Long family and nine others, principally from Dutchess County, joined Lossing the same year and by 1820 an additional group of about fifty had settled within the tract, many were Quakers. A frame meeting house and burial ground were established just north of Norwich village in 1817. See a paper about the Norwich Meeting in the [Canadian Quaker History Journal, No. 75, p.16 - 23.](#)

Meetings began in 1812 and Norwich Preparative Meeting was established in 1816 under Pelham Monthly Meeting. In 1819 Norwich became a Monthly Meeting and these meetings were established under Norwich: Yarmouth (Sparta), 1823; Malahide, 1822; Ancaster, 1816; Pine St (South Norwich), 1819.

The deliberation of the meeting in requesting the Quarterly meetings to direct their monthly meetings to make a particular investigation by appointment in each of their preparative meetings to ascertain whether every family of friends within their limits is furnished with the bible and should any Quarterly meeting find its means insufficient to provide for the deficiency which may exist it is recommended that it give information to this meeting in order that means may be used to supply all our members who may be destitute of the Sacred writings
