

TECUMSETH PREPARATIVE MEETING

1869 – 99

Archives: O-8-6

This minute book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The transcription was made from the 1974 film done by the Archives of Ontario and the image numbers refer to the copy that was made. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Minor changes to paragraphing were done to make reading easier especially in the case of long run on sentences. Transcribers notes are in square brackets and hard to decipher words are indicated with question marks.

This updated and proofread transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The original transcription was done by Doug Smith in 2010. The recent work of updating and proof reading was done by Carman Foster and Randy Saylor. CFHA wishes to express its gratitude to all those who worked on this project.

Tecumseth Meeting was established under the Orthodox Yonge St Quarterly Meeting. The meeting house was built about 1840 in Tecumseth Township. See *A History of the Society of Friends (Quakers) in Canada* by Arthur Dorland, 1925, 191 for more information.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details, and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it revealing about the life and times of these early Quaker settlers in Upper Canada. A microfilm done in 1974 is available at the Archives of Ontario. A more recent filming of the original minute book done by Ancestry.com is on line with a searchable nominal index. This full transcription and the Ancestry images will complement each other.
