

**Yonge St Monthly Meeting
Record (Register) of Members
1868-1938
Dates ranging from 1791 to 1956.**

Archives: This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. It is stored in Box 41, item 10. The fonds is also described as O-41-item with the O standing for Orthodox.

The register was begun in 1868 before Yonge St separated in 1881 into two branches and is catalogued as 1868-1938. It continued in the hands of the Botsford St Friends Church in Newmarket which was also called Yonge St Meeting and Newmarket Meeting. The oldest birth date recorded is 1791 and the most recent death is 1956. There are only a few entries after 1938.

In 1881, the Orthodox Canada Yearly Meeting separated into Evangelical (church service) and Conservative (silent worship) branches. At Yonge St, the Conservative branch maintained the original 1812 Meeting House on Yonge St. The Botsford St Friends Church was Evangelical with a church service and they were the other part of the separation establishing their church in Newmarket. Both meetings were named Yonge Street Monthly Meeting, claiming legal and theological continuation to the original meeting body.

The register contains names of members, their parents, birth and death dates and other valuable information. It includes names of those that remained with the Conservative branch of the Orthodox Quakers and were members prior to 1868. After 1881 the names will reflect that the register was in the hands of the Botsford St Evangelical Church.

This book was deposited along with all the Botsford St. Mtg. minute books in the CYM Archives in the early 1980's, by Marjorie Moore Keffer, clerk at the time, when the Botsford St meeting was laid down. Box 41 was created at that time. It was microfilmed, with other Botsford St records, but not part of the 1975 microfilming.
