

Yonge St Monthly Meeting
Also called - Botsford St, Newmarket Monthly Meeting
1896 - 1928

Archives: This minute book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. It is stored in Box 41, item 2. The fonds is also described as O-41-item with the O standing for Orthodox.

Botsford St Friends Church in Newmarket was also called Yonge St Meeting and Newmarket Meeting. In 1881, the Orthodox Canada Yearly Meeting separated into Evangelical (church service) and Conservative (silent worship) branches. At Yonge St, the Conservative branch maintained the original 1812 Meeting House on Yonge St. The Botsford St Friends Church was Evangelical with a church service and they were the other part of the separation establishing their church in Newmarket. The Church Friends received the burying ground on Yonge St. Both meetings were named Yonge Street Monthly Meeting, claiming legal and theological continuation to the original meeting body.

This Monthly Meeting book is for the Botsford friends begun in 1896 (see page 7) after a fire destroyed the previous church and possibly the previous minute book. The new church was opened in 1898. This book was deposited along with all the Botsford St. Mtg. minute books in the CYM Archives in the early 1980's, by Marjorie Moore Keffer, clerk at the time, when the Botsford St meeting was laid down. Box 41 was created at that time. It was microfilmed, with other Botsford St records, but not part of the 1975 microfilming.

OPENING OF FRIENDS' CHURCH ON BOTSFORD STREET

(Probably 1896 [sic]. November (last Sunday)

The Friends had a very satisfactory day last Sunday, - all three services being largely attended. At the dedicatory service the perfect number of seven occupied chairs on the platform, - Messrs. Seneca Doan, William Allen, William I. Moore, Allen Cody, Benjamin Cody, Andrew Bambie and Stephen Rogers, Mrs. Robert A. Willson led the singing and William Allen led the dedicatory prayer. Stephen Rogers read part of the 8th chapter of 1st Kings and William I. Moore the 6th chapter of II Corinthians. Wm. I. Moore preached the dedicatory sermon. In simple earnest words he told the story of the establishment of divine worship through the ages of Bible history, showing that the preservice of the Israelites as a nation depended upon their obedience to God's commands. His laws are the same today and he wants a people wholly devoted to His service.

The preacher commended the Society on the comfortable and attractive edifice; the usefulness of such structures, however, was not to eloquent words, good music or magnificent buildings, but in bringing sinners to Christ, and the advancement of the kingdom of Christ on earth. He was pleased to see the building restored, and prayed for blessings to those who faithfully labored to that end, upon those whose gifts contributed to that end, and asked that God would accept and honor the place by a manifestation of His presence.

The service was solemn and impressive and the sermon was much enjoyed. A contribution box was placed in the front entry to receive the free-will offerings of the people and but few passed who did not drop their mite.

(This is an account of the re-opening of the Meeting House after the fire which had destroyed the previous building shortly after it had been purchased from the Congregational people. So far I have been unable to find the exact date.)

To Yonge Street Monthly Meeting of Friends

The Committee on the rebuilding of the Meeting house and School room Report, that we have attended to the matter and have got the whole completed with the exception of Eave Troughing, two or three days outside painting (for which we have the paint) and the hanging of the School room windows, which we think best to defer until the warm weather in the spring, the cost of which will probably be about \$25.00. The whole work now completed (including the furnishing which cost about two hundred dollars) amounts to \$15,22,32 cts – The money was paid as the work progressed, and all claims in connection with it we believe have been paid.

The Trustees have paid off the mortgage and the property is clear of debt except 350 dollars borrowed by the Trustees to enable the Building Committee to complete the work –

The whole amount that we have received for the work including the \$350.00 borrowed by Trustees is	\$1580.93
And the whole amount of expenditure	\$1522.32
Leaving a balance on hand of	<u>\$ 58.61</u>

A detailed statement of receipts and expenditures have been submitted to the Auditors.

(Page 11 [Box 41-2])

We may add that there has been a considerable amount of gratuitous work done which would amount to \$50.00 at least – also that there is 50 dollars subscription yet unpaid.

Report

This Meeting records with sadness the death of our dear friend Benjamin Cody, an Elder, which occurred on the 19th of 11th Mo. 1906 in his 85th year. The chief aim of his life was for the upbuilding of the Cause of Christ and the uplifting of humanity to a higher state of Christian experience. Remarkable for the correctness of his judgment and faithful in maintaining the doctrines of Friends it may be truly said of him he was a father in the church.

The prosperity and the preservation of his beloved Society was very near to his heart and he desired that all might so abide in Christ as to avoid extremes on either hand and unitedly stand for the principles of the gospel and labor for the spread of truth. Though dead he still lives in the noble example of a pure and holy life.

Joseph Cody reported that the Friends at Uxbridge have a good live SS which is doing good. He also spoke of taking a letter from the Orthodox Friends to the Half Yearly Meeting of the Hicksite Friends which was held at Newmarket. He thought the sooner the Society of Friends got closer together, the better it would be. A great many people are not attending Friends Meetings at the different places simply because they are disinterested. The Hicksite Friends seemed to think that the feeling of unity should just be allowed to grow but Joseph Cody thought we should help that feeling grow. We as Friends should realize our privileges and not let the work drag until it goes out, just as soon as we realize that all have a right to their own opinion, then we will be able to grow. Practical religion is best. The man or woman who says and does things in the spirit of love does more good than one who does simply a lot of talking. Harry Parry said he would work and pray and do everything for union. This cause is too great to quibble over little things. The Gospel will win its way.
