

Yonge St Monthly Meeting
Also called - Botsford St Church, Newmarket Monthly Meeting
1928 - 1937

Archives: This minute book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. It is stored in Box 41, item 3. The fonds is also described as O-41-item with the O standing for Orthodox.

Botsford St Friends Church in Newmarket was also called Yonge St Meeting and Newmarket Meeting. In 1881, the Orthodox Canada Yearly Meeting separated into Evangelical (church service) and Conservative (silent worship) branches. At Yonge St, the Conservative branch maintained the original 1812 Meeting House and was designated Yonge St Conservative. The Botsford St Friends Church was designated Yonge St Orthodox with an Evangelical church service and they were the other part of the separation establishing their church in Newmarket. The Church Friends received the burying ground on Yonge St. Both monthly meetings were named Yonge Street Monthly Meeting, claiming legal and theological continuation to the original meeting body.

This Monthly Meeting book was deposited along with all the Botsford St. Mtg. minute books in the CYM Archives in the early 1980's, by Marjorie Moore Keffer, clerk at the time, when the Botsford St meeting was laid down. Box 41 was created at that time. It was microfilmed, with other Botsford St records, but not part of the 1975 microfilming.

This transcription was originally posted on the Canadian Yearly Meeting Archives web site. By agreement it is now posted to the Canadian Friends Historical Association (CFHA) web site. It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access.

VII Memorial to Louisa Sheward was read

Memorial to the late Louisa Sheward.

Again the great call came to one of our members when Louisa Sheward answered; and departed this life to enter that more perfect and beautiful life beyond.

She was born in Southampton, England, Dec. 22nd, 1882, and in 1911 came to this country where

she was married to George Sheward in the month of September of the same year. From a child, her Christian service was in close connection with Friends Mission and Meeting. After returning from a trip to the home-land, she and her husband and daughter settled in Newmarket for a time where they became members and valued workers in Yonge St. Monthly Meeting.

“Others”, was the motto which was continually before her. Many, many a time, when her own physical strength was insufficient for the task, she would press on, ministering to the suffering, giving words of comfort: with a life freighted with the Master’s love.

In the church work, we always found her eager to do her part. Her gift in song was an inspiration to many; her youthful spirit and congenial leadership among the young was greatly valued by our membership.

She is not numbered among the dead, for her unselfish deeds cannot die, they live in our memory. As a wife and mother, she shall be greatly missed, yet every day she is speaking: her faith in the Christ was a real asset and the legacy she has left is one of eternal value.

May we, who have been the recipients of so potent a life not fail to perpetuate so noble and true a spirit.

H. Parry – Pastor

Report of Girls' Summer Camp for Newmarket Monthly Meeting.

On Monday July 3rd., the eager campers commenced to gather at the Meeting House, where they were received and inspected by our dear Friend Jessie Hiltz, who well understood how to curb their excited impatience. There were twelve smaller girls, namely: - Martha Coorsen, Doris Harden, Elsie Harden, Joyce Hill, Eileen Hughes, Margaret McSkimming, Joyce Smith, Jean Smith, Bessie Thompson, Molly Thompson and Dorothy Thompson and Betty Mitchell; as well as five older girls, Big Sisters: - Gwen Hewitt, Esther Leach, Mary Peat, Elisabeth Toyne and Gertrude Toyne. They were in charge of Mrs. Ida Harden, Mrs. Margaret McSkimming and Mrs. Anna Elisabeth Toyne.

Several of the mothers had arrived to give the girls a royal send-off and John McSkimming and George Hill had kindly volunteered to journey to camp to help make the necessary arrangements.

A start was made at 2.30 p.m. in a truck hired from Dr. Darcy Miller, who proved a most careful and capable driver, and the happy throng made its way cheering through the town and northwards by way of the old-time *courreurs-de-bois*, arriving at Camp Nee-Kau-Nis, near Waubaushene at 5 p.m.

Never was the old proverb: "Many hands make labor light" better proven than the first evening of arrival. The camp equipment was all mixed up by the workmen who had been installing the electric lighting and it all had to be put in shape before a meal could be cooked and the children put to bed. However, willingness and patience conquered all obstacles and all was quiet before ten o'clock.

The campers had many reasons for gratefulness towards their Heavenly Father: the weather remained perfect during all the twelve days and all the campers were beautifully tanned by the plenteous sunshine; there was no accident nor calamity of any description, no sickness and even the few that fell out of bed during the first night or two soon forgot their slight bumps and bruises. The morning bible lessons were unforgettable and impressive; the following bathing and sub-bathing filled up the remainder of the morning. An hour of rest after midday lunch prepared the children for the play-hour and sun-bath of later afternoon. Then supper, which preceded the sun-set service. There can be no better opportunity than that at Nee-Kau-Nis for sun-set service, as the evening panorama of that district is especially glorious and inspiring of worship towards the Creator.

As an especial treat before the departure for home on Saturday July 15th., the campers were privileged to see the great Italian Air Armada fly over on its way to Chicago. Leaving at 4 p.m., all arrived at Newmarket safe and sound at about 7.30 p.m.

A Memorial of the Newmarket Monthly Meeting of Friends, concerning our deceased friend LEVI ROGERS.

It has pleased the Almighty to remove this our beloved Friend from works to rewards during the eleventh month of the past year. In his ninety fourth year, he had been a member of the Society of Friends since a short time after his marriage to Mary Vance sixty seven years ago. He manifested a concern for our meetings, particularly for the orderly walking of our youth. He was a kind and affectionate husband and generally beloved by his acquaintance and friends.

On account of his advanced age, it was only rarely that he could attend meetings during the last two year of his life. During summer of last year, weakness and debility overtook him. He was taken to hospital a few days before his death and it is peculiarly sad that his faithful wife was unable to be with him during the hours of his passing.

He leaves a sorrowing widow to mourn his departure, she also being on a bed of sickness.

Our friend was the oldest surviving member of Newmarket Monthly Meeting. With his passing a strong link with the past is broken; a new link with eternity is forged.
