

Yonge St Monthly Meeting
Also called - Botsford St Church, Newmarket Monthly Meeting
1961 – 1980

Archives: This minute book file and some death records is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. It is stored in Box 41, item 7. The fonds is also described as O-41-item with the O standing for Orthodox.

The minutes for 1972 to 1980 end at page 61 of the pdf and are followed by financial reports for the same period. Death records start at page 81.

Botsford St Friends Church in Newmarket was also called Yonge St Meeting and Newmarket Meeting. In 1881, the Orthodox Canada Yearly Meeting separated into Evangelical (church service) and Conservative (silent worship) branches. At Yonge St, the Conservative branch maintained the original 1812 Meeting House and was designated Yonge St Conservative. The Botsford St Friends Church was designated Yonge St Orthodox with an Evangelical church service and they were the other part of the separation establishing their church in Newmarket. The Church Friends received the burying ground on Yonge St. Both monthly meetings were named Yonge Street Monthly Meeting, claiming legal and theological continuation to the original meeting body.

This Monthly Meeting file was deposited along with all the Botsford St. Mtg. minute books in the CYM Archives in the early 1980's, by Marjorie Moore Keffer, clerk at the time, when the Botsford St meeting was laid down. Box 41 was created at that time. It was microfilmed, with other Botsford St records, but not part of the 1975 microfilming.

MINUTE – A Meeting for Worship on August 27, 1977 to confirm the marriage of Cathy Thompson and Martin Simon in joint care of the Yonge Street/Newmarket Monthly Meetings, Newmarket, Ontario, Canada.

Cathy Thompson, a member of the Newmarket Monthly Meeting of Friends, was married to Martin Simon on April 23, 1977 in Papua New Guinea, where both were working.

Yonge Street Monthly Meeting was asked if they would support this marriage through a Meeting for Worship when Cathy and Martin returned to Canada. A Committee of Care was established

represented by Milton and Marjorie Keffer, Newmarket Monthly Meeting, and David and Marion Newlands, Yonge Street Monthly Meeting.

There were approximately 70 persons present on Saturday, August 27, when the Meeting for Worship began at 11.00 a.m. Since most of the attenders had not experienced either a Meeting for Worship or a Quaker marriage, a brief view of the purpose of the gathering was presented to the assembly.

Cathy and Martin took each other in marriage in the way of Friends. Following the hour of Worship, the Meeting closed and the Certificate confirming the marriage was read. Following the signature of Cathy and Martin, all were invited to sign as witnesses.

A picnic type luncheon was served to the guests.

We are grateful to David Newlands for having the Certificate so nicely lettered and prepared.

Einhart Kawerau, Clerk,
Yonge Street Half Yearly Meeting
467 Plains Road West, Burlington, Ont.

Dear friend,

Your letter of recent date was received, containing Minutes of last Half Yearly Meeting, Minute on Capital Punishment and suggested programme for Half Yearly Meeting to be held in Newmarket on April 28th. At our joint Monthly Meeting with Yonge Street Friends on March 4th these were considered.

The tentative programme is agreeable to us with a little change in time. We thought perhaps lunch could be a little earlier as the Cemetery Committee would like to have a meeting between lunch and the afternoon session if possible.

I believe Elma Starr has written you with a suggestion regarding “Coffee Time”.

Could you please put in notices, “Please bring sandwiches”

Other things will be provided.

Hoping this is agreeable to you,

Sincerely,

Marjorie Keffer, Clerk

P.S. – In the minutes the names of Milton and Marjorie Keffer as delegates from Newmarket were not included and the name of Margaret McSkimming should have been listed from Newmarket Monthly Meeting rather than from Yonge Street. Perhaps this could be corrected for next Meeting. M.K.

Gym school opens in Newmarket
Business

By D.S. Mundy
Topic Staff Writer

NEWMARKET – If your child is overweight, underweight, weak, of poor appetite, or lacks self-confidence, then gymnastics may be just the thing for him or her.

That is, according to gymnastics coaches Garry Legault and Eugene Shenderey of the newly-opened Dynamo Gymnastics school in Newmarket.

“Gymnastics is a very good doctor,” says Eugene, the school’s head coach. (Garry, who owns the school, is the administrative director. He plans to start coaching again once the school is well underway.)

And Eugene knows his stuff. A former coach of the Russian national gymnastics team (from 1971 to 1979), Eugene left his native country in 1979, when Moscow raised the Iron Curtain briefly to allow Russian Jews to emigrate, ostensibly to Israel. The Shendereys went first to Italy, where Eugene coached the Italian Olympic gymnastic team. Last year Eugene left that position and came to Toronto to join his wife and son, who had moved to Canada earlier.

DEVELOPED SPECIAL PROGRAMS

Eugene stresses the importance of gymnastics for children, especially young children. While in Russia, he spent a lot of time teaching gymnastics to children who suffered from back problems. He also developed special programs for police, firemen, and various types of athletic teams (soccer, hockey, karate, etc.)

Because it develops strength, agility and balance, gymnastics is often considered a basis for all sport. In Russia, child athletes are taught gymnastics before specializing in any other sport.

Gymnastics builds up the appetite, says Eugene, and is also very good for overweight people.

“Many boys in Canada are too fat,” he adds.

Continued on page 10.

Gym school’s now open

continued from page 8

Gymnastics got its big push in the Soviet Union during the early 1940s, says Eugene, after the war, when many of the population was left undernourished and weak. Since then it has become just as much a part of Russian life as vodka and dancing bears.

100-YEAR-OLD CHURCH

Garry and Eugene’s school is located in the 100-year-old church at the corner of Church and Botsford Sts. Garry purchased the building from the Society of Friends in mid-July, and has been renovating it since then.

“It’s been a long way – I had no idea what I was getting myself into,” he says, letting his eyes wander over the new equipment, the new heating/air conditioning system, the boarded-up windows, and the empty spaces where walls used to be. He’s invested

somewhere between \$150,000 and \$200,000 so far in the structure, and although it still looks like just an old church on the outside, the inside offers a very modern and impressive-looking gymnasium.

FAMILY ATMOSPHERE

“We’re trying to create a family atmosphere,” says Garry, “where adults can do more than just watch (their children) – they can participate.”

Neither coach could stress strongly enough the positive effects gymnastic training can have on a child’s development.

The cost of the courses range from \$28 per two-month period (moms or dads and tots) to \$62, for boys’ and girls’ gymnastics (two months). The boys’ and girls’ classes are held in the evenings and at night during the week, and in the afternoon on Saturdays.

For more information about schedules, prices, or the school, call Dynamo Gymnastics at 895-7815.

Happy tumbling.

J. ALLAN HALL

J. Allan Hall has left his tabernacle of flesh and entered into that other room we know of only through faith and hope and trust. However he leaves to us many moments of his sojourn here for those who see and remember.

As our meeting met for worship in a circle around a vase of bursting pussy-willows we were reminded that they were cut from a bush grown from a rooted cutting, part of just such a vase of bloom, a gift of a long past spring-time from Allan's garden.

Just so, a corner of our garden is filled each spring with the perfume of a mock orange because some forty years ago he came with a three foot whip and planted it there. On his home acres in Muskoka this spring thousands of little trees are feeling the surge of sap and life renewing because Allan's careful and care-filled hands planted them there.

He never lived for long within the border of a close Quaker community but early in his life chose the Friendly Way, possibly because of personal contact with Friends. Then quietly he accepted the responsibilities of membership.

He was a long time member of the Camp Neekaunis Committee and when the Yearly Meetings of Canada became one he accepted the chairmanship of Home Mission and Advancement Committee for six years.

We can say little of the influence of his life upon those he met in daily contact except to conclude it must have been for good when his main interests beyond the improvement of fruit crops were the teaching of a men's Bible Class, working with organizations concerned with Conservation and protection of wildlife and woodworking.

May the memory and influence of Allan be a blessing to us all, especially to Bessie his wife, his three sons Eric, Leslie, Beverly and their families.

Memorial for Margaret McSkimming

Margaret Mulholland McSkimming, a faithful member of Newmarket Monthly Meeting passed away at her home in Toronto on May 11th, 1977. She, with her husband John and daughter Margaret, came to Newmarket and became members of Newmarket Monthly Meeting, Botsford Street, by transfer from Edinburg Monthly Meeting, Scotland in 1931, after which their son John Jr. was born. Margaret took an active part in the work of the Meeting besides carrying on her work as a practical nurse and midwife. A number of Newmarket babies owe her a debt of gratitude for their successful arrival and early care. In 1942 her husband John passed away very suddenly and she was left with their young family to raise. This she did very courageously, accepting what work was available, though never neglecting the Sunday School and Meeting. After several years she moved with her two children to Toronto to be with her sister, Martha Paul. Here she carried on her nursing and was able to further the education of her daughter Margaret, who trained as a nurse and her son Jack who took up the work of a land surveyer as his vocation.

Her interest in Newmarket continued and she kept her membership in the Meeting and attended when possible. She was a trustee at the time of her death. Her interest in all Yearly Meeting activities was well known to Friends, especially her years of helpful service at Camp Neekaunis. Her kindness and loving spirit of service were well known to all her friends far and near. Truly her reward will be, “Well done good and faithful servant, enter thou into the joy of thy Lord”.

She leaves to mourn her loss her daughter Margaret (Mrs. J. Flint) of Vancouver, her son John of Toronto and seven grandchildren, also one sister, Martha Paul of Toronto and one brother, James Mulholland of Scotland.

A memorial service was held at Yonge Street Friends Meeting House on May 14th attended by many Friends. Interment was in Newmarket Cemetery beside her husband John.

Pastor of the Marshall Federated Church for the last two years, he had served as Executive Secretary of the Board on Missions of Friends United Meeting from 1960-66.

As chief administrative officer of the Board on Missions, he guided the Board from its earlier separate entity as the American Friends Board on Mission to its present integrated status as one of the seven Boards of Friends United Meeting.

During the 12 years between 1948 and 1960 he was pastor of the Union Street Friends Church, Kokomo, IN.

Norman Young entered the Friends pastoral ministry in Denver, CO. For 27 years he was employed by the Colorado National Bank in Denver. During the latter years of his service to the bank, he served as a part time pastor and guest minister.

A native of Southampton, England, Norman Young grew up in Merthyre Tydfil, Wales. His family came to Canada in 1911 and moved to Denver, CO in 1917. He graduated from Pickering College, Newmarket, Ontario, Canada.

Among his other contributions to Friends were years of service as a member of The American Friends Board of Mission, climaxed by five years as chairman of that Board.

Educated at friends University, Wichita, Kan., the University of Chicago, and Teachers College of

Columbia University, he served under the American Friends Board of Missions as principal of the Friends School in Holguin, Cuba. In later years, following retirement from the Mission Board, he served as pastor of the Salem Friends Meeting, near Liberty, Ind.

Merle Davis was a member of the West Richmond Friends Meeting. He is survived by his wife, Margaret Farlow Davis, a daughter Ruthana Hadley, Philadelphia, Pa., a son Ray of Indianapolis, Ind., six grandchildren and one great-grandchild.

“Merle Davis came to the Mission Board as administrative secretary at a time when the policies for missionary work were under review in all churches. He discerned the direction they should take and by careful administration helped to guide the missions of Friends to their high destiny.

“His love for missionaries and the work of the mission board was shown in the diligence and care he gave to the administration of the entire program. Rarely has one friend been so well fitted by training and followed through with such concern as that which marked his years of service. He is held in grateful memory.”

R. Ernest Lamb Dies in California

STANTON, CALIF – R. Ernest Lamb, Friends pastor, died at Quaker Gardens, Stanton, California, on February 4, 1973, at the age of 85.

Twenty years of his ministry was with Alhambra, Los Angeles and Pasadena Friends Meetings. In 1943 he became superintendent of California Yearly Meeting for six years. Then followed six years of service for Friends United Meeting. Returning to California he served as interim pastor for various meetings on the West Coast. He actively served the Quaker Men and the American Friends Service Committee, as well as his community. He was the first editor of the *California Friend*.

His wife Ruby Hill Lamb preceded him in death in 1948; surviving him are two daughters, Margaret Hall of San Dimas and Elizabeth Tunison of Whittier, as well as five grandchildren and one great-grandchild.

“Ernest Lamb had a rare spirit expressed in loving concern for people and a charming humor that endeared him to Friends of every persuasion. In our minds he united Friends of Ireland, where he was born, to all Friends in America. In his service for California Friends he narrowed the distances between Friends East and West. To him, more than to any other Friend, goes the credit for the new Central Offices building at Quaker Hill.”

Editor’s Note: The helpful remarks in quotations in the above articles were written by Errol T. Elliott, Richmond, Ind., friend and colleague of both men.

The Friends Church
c/o Mr. M. Keffer
391 Timothy Street
Newmarket, Ontario

Dear Mr. Keffer

This will confirm that the Newmarket Branch of the Church of Jesus Christ of Latter Day Saints will not require the use of the Friends Church Building at Botsford and Church Streets after the 31st of March 1981.

We greatly appreciate the use we have had of the building and will long retain many fond memories of the times we spent there. We especially appreciate the kindness and helpfulness you exhibited to us as our contact with the Friends.

We will, of course, remove what items belong to us from the building. We would also like to have access to the building for a few extra days to clean up and straighten up so that we leave it in good shape. We will return the keys to the building as soon as we have it clean and tidy.

Again we thank you for your kindness and help.

Sincerely,

Newmarket Branch Presidency
