

Yonge St Monthly Meeting, Removal Certificates 1806 – 1879

Archives: O-12-4

This book of removal certificates is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. This transcription was done from the images of a filming available at the Archives of Ontario (MS 303, reel 28) under the coordination of Randy Saylor. The pages of the original document were numbered partially. The image numbers below refer to the digital copy. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Minor changes to paragraphing were done to make reading easier. Transcriber notes are in square brackets and hard to decipher words are indicated with question marks.

Quakers in good standing at one meeting clearly understood that they were part of the global community of Quaker meetings. Removal certificates verified their standing and allowed them to move to another meeting and remain in good standing.

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Doug Smith and proofed by Randy Saylor. CFHA wishes to express its gratitude to those who worked on this project.

Yonge Street meeting was established in 1804 as a Preparative meeting and in 1806 it was made a Monthly Meeting. Both Pelham Monthly Meeting and Yonge St Monthly Meeting were under Philadelphia Yearly Meeting. In 1810, the three monthly meetings in Upper Canada; Adolphustown, Pelham and Yonge St, were joined under the Canada Half Yearly Meeting which reported to New York Yearly Meeting.

Yonge St meeting was established by Timothy Rogers and many settlers from Vermont followed him to settle along Yonge St in what is today the city of Newmarket. There were close connections with Pelham and Niagara area Quaker settlers and many also moved to the Yonge St area and settled principally around Uxbridge. These meetings were established under Yonge St: Whitchurch, 1810; Queens St, 1810; Uxbridge, 1810, and Pickering, 1819. The original Yonge St meeting house has survived today and continues as an active Quaker meeting.

There is an excellent book on the Yonge St meeting, *From Quaker to Upper Canadian: Faith and Community Among Yonge Street Friends, 1801 - 1850* by Robynne Rogers Healey, 2006.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details, and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it revealing about the life and times of these early Quaker settlers in Upper Canada. A microfilm done in 1974 is available at the Archives of Ontario. A more recent filming of the original minute book done by Ancestry.com is on line with a searchable nominal index. This full transcription and the Ancestry images will complement each other.
