

Muncy Women Monthly Meeting 1799 - 1819

This minute book was filmed by the LDS and recorded as Vol. 72. Images were provided by [Swarthmore College Archives](#) to [Canadian Friends Historical Association](#) in pdf format for transcription by CFHA. It was transcribed by Carman Foster.

Each image shows two pages and the text is identified by the image number. Text is transcribed as written and the punctuation and format is largely unchanged though some small changes were done to make reading easier.

Quakers migrated to Upper Canada (now Ontario) starting in the mid 1790's. They principally came from two main areas. Those settling around Prince Edward County in the Bay of Quinte area generally came via Nine Partners Meeting in Dutchess County, NY. Those settling under the Pelham Meeting in the Niagara area and including the Yonge St Meeting around Newmarket mostly came via New Jersey and Pennsylvania meetings. Muncy was one of those meetings. Muncy Monthly Meeting was established in 1799 by Philadelphia Quarterly Meeting out of Catawissa Monthly Meeting. At the time of the Hicksite Separation - which in this area of Pennsylvania did not occur until 1829/30 - the meeting was divided into Hicksite and Orthodox branches.

A search of the words Canada, Pelham and Young Street [sic] yields dozens of hits of families "removing" to Canada. Take note that spelling of surnames can vary quite a bit.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication. Please contact chair@cfha.info for additional details.
