

# Nine Partners Digest 1781 - 1897

## A book of mostly removals.

This book, called a Digest, was filmed by the LDS and recorded as Vol. 1160. Images were provided by [Swarthmore College Archives](#) to CFHA in pdf format for transcription. The transcribers were Carman Foster, Moira Greenlee, Doug Smith and Randy Saylor. It was completed 12 April 2015.

Each image shows two pages and the text is identified by the image number. The left and right pages are separated by a dashed line. There is a great deal of repetition in the wording of these records so three dots ... are used to indicate words skipped over.

There is a great deal of repetition in the wording of removals so only the basic information in each removal is transcribed.
