

## Norwich Monthly Meeting Record Book A 1819 - 1842

Archives: C-3-1

This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The transcription was done from the images of a filming available at the Archives of Ontario (MS 303, reel 4) under the coordination of Randy Saylor in 2018. This Register is followed by Norwich MM Record Book B that was begun in 1842. Book B is transcribed and available on the CFHA web site in the Hicksite section.

This book was last held by Conservative Friends and the book details disownments of Hicksite Friends so the book would have been in Orthodox hands after the Separation in 1828. Arthur Dorland in his book, *The History of the Society of Friends (Quakers) in Canada, 1927*, states that "the Hicksite Friends decided to withdraw from the Preparative Meeting at North Norwich to Pine Street Meeting in South Norwich where they were in the majority" [164-5].

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Carman Foster in 2018. CFHA wishes to express its gratitude to those who worked on this project.

The pages of the original document were numbered, and the image numbers below refer to the digital copy. The text was transcribed as written, so researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets. Illegible words are noted as by a question mark.

In 1809 Peter Lossing, a member of the Society of Friends from Dutchess County, N.Y. visited Norwich Township, and in June 1810, with his brother-in-law, Peter De Long, and purchased 15 000 acres of land. Lossing settled there in 1811. The De Long family and nine others, principally from Dutchess County, joined Lossing the same year and by 1820 an additional group of about fifty had settled within the tract, many were Quakers. A frame meeting house and burial ground were established just north of Norwich village in 1817. See a paper about the Norwich Meeting in the [Canadian Quaker History Journal, No. 75, p.16 - 23.](#)

Meetings began in 1812 and Norwich Preparative Meeting was established in 1816 under Pelham Monthly Meeting. In 1819 Norwich became a Monthly Meeting and these meetings were established under Norwich: Yarmouth (Sparta), 1823; Malahide, 1822; Ancaster, 1816; Pine St (South Norwich), 1819.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in

marry one not a member, by the Assistance of Priest, also neglected, the Attendance of our
