### **BOOK B – 12<sup>th</sup> Mo 12<sup>th</sup> 1842**

Archives: This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. It is to be determined what box this book is stored in. It is probable that this book has not been microfilmed and is probably not available on Ancestry.com. It is also to be determined if a photocopy has been made for researcher's use.

This statement appears at the start of this book, "Continuing with the names of the members of said Meeting as Revised from book A by direction of the Monthly Meeting." The first 34 pages of the book records parent's and their children's birth and death dates. The second part from page 35 to 174 records marriages, disownments, removals, transfers and other business as occurred in the Monthly Meetings. The second section starts in 1842 and this agrees with the year in the title of the book. Therefore it can be concluded that Book B was started in 1842 and followed Book A. Many births are recorded with dates prior to 1842 with the earliest being the birth of Peter Lossing in 1761 and the last entry is the death of William Waring in 1969. This was a cherished book.

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription was coordinated by Jane Zavitz Bond, archivist for Canada Yearly Meeting, and fully and carefully transcribed by Sheila Havard. The transcription has not been proof read by second person. CFHA wishes to express its gratitude to those who worked on this project.

The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets. Illegible words are noted as [illegible.]

In 1809 Peter Lossing, a member of the Society of Friends from Dutchess County, N.Y. visited Norwich Township, and in June, 1810, with his brother-in-law, Peter De Long, and purchased 15 000 acres of land. Lossing settled there in 1811. The De Long family and nine others, principally from Dutchess County, joined Lossing the same year and by 1820 an additional group of about fifty had settled within the tract, many were Quakers. A frame meeting house and burial ground were established just north of Norwich village in 1817.

Meetings began in 1812 and Norwich Preparative Meeting was established in 1816 under Pelham Monthly Meeting. In 1819 Norwich became a Monthly Meeting and these meetings were established under Norwich: Yarmouth (Sparta), 1823; Malahide, 1822; Ancaster, 1816; Pine St (South Norwich), 1819.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal.
