Around 1809, Timothy Rogers removed from Yonge St to Duffins Creek in Pickering Township where he operated a grist and saw mill. In 1810, Timothy went to the USA and returned with another company of settlers. In 1812, Yonge St Monthly Meeting allowed an indulged meeting to be established there and then in 1819 a Pickering Preparative meeting was formed at Pickering. Meeting houses were built two miles east of Pickering on the Danforth Road, first in 1819, replaced in 1833 which was destroyed by fire and replaced in either 1866 or 1876 (Dorland gives both dates.) This book begins with the separation in 1828, the Orthodox were in control of both Uxbridge and Pickering meetings and the associated property. In 1842, when this book ends, the Canada Half Yearly Meeting reorganized Uxbridge and Pickering as Pickering Monthly Meeting. In 1886, due to decline, the Pickering meeting was changed to an Executive Meeting allowing meetings to be held at less frequent intervals.

**Pickering preparative meeting of friends the seventh of 8<sup>th</sup> month 1828**

For several years past the minds of many friends have been greatly exercised and pained in consequence of the promulgation of sentiments by persons under our name contrary

to the principles of our religious society and subversive of the faith of our members in the authenticity and divine authority of the holy scriptures in the divinity of our Lord and Saviour Jesus Christ his mediation and intercession for us with the Father and in that propitiatory sacrifice which he made on the cross when through the eternal spirit he offered himself without thought unto God for the redemption of mankind The disorganizing effects these antichristian opinions have been sorrowfully manifested amongst us producing insubordination to our excellent discipline and many of those who have been unhappily ensnared by these delusive stratagems of the enemy have been gradually led on from our degree of disorder to another until at length they have openly gone out from our society and set up meetings of their own contrary to the good order and discipline established amongst us in the wisdom of Truth and a considerable number of the members of this preparative meeting having united themselves in principle to those who have thus separated from our religious society and identified themselves with them at Pickering preparative meeting the 7<sup>th</sup> day of the 8<sup>th</sup> month 1828 by refusing to have the minute of advice and directions from our late yearly meeting of friends held in New York read or to acknowledge its committee thereby rejecting the authority of our discipline and casting off the subordination and respect which is due to the body and the clerk of this preparative meeting having joined in these irregular and disorderly measures it became the duty of those friends who remained attached to the ancient doctrines and discipline of our religious Society - after testifying against these proceedings to appoint
