

West Lake Monthly Meeting Register, 1820 - 1882

Archives: O - 9 - 1

This register book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. In 2005 the original document was digitally filmed and the resulting transcription was posted on the Quaker Archives web site. The pages of the original document were not consistently numbered and the image numbers below refer to this digital copy. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Transcribers notes are in square brackets and hard to decipher words are indicated with question marks.

This updated and proofread transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The original transcription was coordinated by Randy Saylor and the transcribers for this book were Tom Pollard, Ruth Melander, Carman Foster, Margaret Sharon, Judy Andrus Toporcer, Kathy Hull, Janet Kellough, Jackie Crerar, and Doug Haines. The recent work of updating and proof reading was done by Carman Foster. CFHA wishes to express its gratitude to all those who worked on this project.

This book stayed in the hands of the Orthodox Quakers after the 1828 separation. West Lake was established in 1803 as a Preparative meeting under Adolphustown Monthly Meeting. West Lake first built a meeting house on "Bowerman Hill" just west of Bloomfield. Due to growth, in 1817 a new and larger meeting house was built in eastern Bloomfield on the site of the current Bethany Christian Reformed Church. The old burial ground survives south of the road across from this meeting site. In 1821, West Lake was established as the Monthly Meeting and Adolphustown became a Preparative meeting. Subordinate meetings were Green Point, Ameliasburgh, Haldimand and Cold Creek.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details, and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it helpful. A microfilm done in 1974 is available at the Archives of Ontario. A more recent filming of the original minute book done by Ancestry.com is on line with a searchable nominal index. This full transcription and the Ancestry images will complement each other.

Note: There is a large X in the “How they became Members” column that crosses out all the lines for the Swetmans. In the opinion of this transcriber, this was probably done when the notation “Set off with Adolphus My. Meeting” was noted.

Note 2: There are four given names written in the page margin next to the Stevenson surname. The entry reads: “Ella Fredirick Henry? Ja^s These names seem to be somehow related to the Stevenson name.

From a difficulty of obtaining accounts of Births and Deaths from the different branches of this Monthly Meeting, it now becomes needful to have this Registry revised, and placed in alphabetical order, in preference to the foregoing under the heads of the several meetings –

Done by me as Registrar to said meeting – in 8th Month 1837 –

Sam^l Baker

Note. A minute of the Monthly meeting in 4th Month 1838, directs, that each preparative meeting shall furnish accts. of all Births and Burials in each meeting to be sent up with their proceedings to the said monthly Meeting, and from thence to the Recorder.

[The following is written in a different handwriting]

William Garret was appointed register to succede Samuel Baker By west Lake monthly meeting by his own consent in 1837 or 8

[Note 1: These ditto marks refer to “Hallowell”. “afterwards Haight B 1819” was written across the page and through the “Residence” column at a later date.]

[Note 2: These ditto marks are in the “Names” column and it is difficult to know exactly what they are referencing. It’s the best guess of this transcriber that they refer to “Hallowell.” The bracket indicating children of Anne Waring does not quite include Joseph Waring but it makes sense that he is also a child given that he is first below the mother.]

[Note 3: A verticle line has been drawn in the left margin “connecting” Joshua Waring, John Waring and Margaret Wright Waring. It is unclear what the connection is, although the dates of birth suggest they are siblings, and the notation “T W Children” on John Waring’s line suggests that their father’s – or possibly mother’s - name was T----- Waring.]

[Although this page is difficult to read and is not particularly ordered, it appears as though Francis and Maryann Waring had – at least - the following children:

- Sarah ann b. 1845
- Abigail b. 1849
- Mary Elizabeth b. 1853
- Amos Hubbs b. 1854
- Adam b. 1859
- Joseph b. 1862
- Lydia H. b. 1864

Thomas and Fanny Waring had – at least – these children:

- John b. 1842
- Margaret Wright b. 1844
- Joshua William b. 1846
- Thomas b. 1848
- George b. 1853

It is not stated who Wm. Edwin b. 1856 is a son of, but his name is listed in the same hand and directly below Amos Hubbs Waring, so it appears that he is probably also a son of Francis and Maryann.]

[A newspaper clipping of the following poem is pasted on this page]

The Quaker Meeting

Within the meeting house, sedate and
gray
There sits a group in silence deep, pro-
found.
There reigns a holy calm on this first day
Made heavenly by the sunlight gleams
around.
Convened apart from bustle noise and
strife.
They mingle here, away from passersby:
Forgotten are the ills and cares of life

Within this house beneath the azure
sky.
No pealing organ swells upon the air.
No choirs inspiring music, chanting near.
No litanies of creeds, or "forms" are there.
Tho' distant chimes send out their vi-
brance clear
This hour – a fragment of eternity –
Enfolds the soul, without the written
creed.
And deep within the heart a melody -
Exquisite sense of this world's greatest
Need
O, Guiding Light, come bear me o'er the
tide
O, Heart of Peace breathe low and

make me strong.
 O, Voice within, I know thee for my Guide
 Toward all in life that shapes my silent
 song
 Charlotte Carson Talcott, Bloomfield in Globe
