

West Lake Preparative Meeting

1833 - 1845

This register book is held by the Prince Edward County Archives in Wellington, Ontario and has the accession number A1985.026.004 67e. In 2006 permission was granted by Pam Noxon of the Archives to make a digital film of the book for transcription and posting to Randy Saylor's web site. The pages of the original document were not numbered and the image numbers below refer to this digital copy. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Transcribers notes are in square brackets and hard to decipher words are indicated with question marks.

This updated and proofread transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The original transcription was coordinated by Randy Saylor and the transcribers were Carman Foster, Randy Saylor, Janet Kellough, Tom Pollard, Lorne Shunk and Janet Raats. The recent work of updating and proof reading was done by Carman Foster and Randy Saylor. CFHA wishes to express its gratitude to all those who worked on this project.

This register was started by the Orthodox Quakers in 1833 as can be seen by the first page (image 3). The next 23 pages are totally covered in clippings and the underlying writing cannot be read. The minutes start again in 1835 (image 27). West Lake was established in 1803 as a Preparative meeting under Adolphustown Monthly Meeting. West Lake first built a meeting house on "Bowerman Hill" just west of Bloomfield. Due to growth, in 1817 a new and larger meeting house was built in eastern Bloomfield on the site of the current Bethany Christian Reformed Church. The old burial ground survives south of the road across from this meeting site. In 1821, West Lake was established as the Monthly Meeting and Adolphustown became a Preparative meeting. Subordinate meetings were Green Point, Ameliasburgh, Haldimand and Cold Creek.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details, and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it helpful.

[Note: The first 26 images, with the exception of image 3, have clippings pasted over the whole surface making the minutes unreadable. The titles of the clippings and some comments are included.]
