

Whitchurch Preparative Meeting 1816 - 1841

Archives: O-8-9

This minute book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. This transcription was done from the images of a filming available at the Archives of Ontario (MS 303, reel 26) under the coordination of Randy Saylor. The image numbers below refer to the digital copy. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Minor changes to paragraphing were done to make reading easier especially in the case of long run on sentences. Transcribers notes are in square brackets and hard to decipher words are indicated with question marks.

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Carman Foster. CFHA wishes to express its gratitude to those who worked on this project.

Whitchurch meeting was established in 1805 as an indulged meeting and asked in 1810 to become a Preparative meeting under Yonge St Monthly meeting. This was finally authorized in 1816. Property was secured in 1814 for a meeting house and in 1827 and new one was planned. The new one ended up in the hands of the Hicksite Quakers and the original continued with the Orthodox Quakers. This minute book continued with the Orthodox Quakers.

Given that Whitchurch was a Preparative meeting, researchers wishing to follow what happens to business items that arise, should go to the Yonge St MM minutes for the following month.

There is an excellent book on the Yonge St meeting which includes Whitchurch, *From Quaker to Upper Canadian: Faith and Community Among Yonge Street Friends, 1801 - 1850* by Robynne Rogers Healey, 2006.
