

Norwich Monthly Meeting 1822 – 1834

Archives: C-2-6

This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The transcription was done from the images of a filming available at the Archives of Ontario (MS 303, reel 6) under the coordination of Randy Saylor in 2018.

This book was last held by Conservative Friends and the book details disownments of Hicksite Friends so the book would have been in Orthodox hands after the Separation in 1828. Arthur Dorland in his book, *The History of the Society of Friends (Quakers) in Canada, 1927*, states that “the Hicksite Friends decided to withdraw from the Preparative Meeting at North Norwich to Pine Street Meeting in South Norwich where they were in the majority” [164-5].

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Doug Smith in 2018. CFHA wishes to express its gratitude to those who worked on this project.

The image numbers below refer to the digital copy. The text was transcribed as written, so researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets. Illegible words are noted as by a question mark.

In 1809 Peter Lossing, a member of the Society of Friends from Dutchess County, N.Y. visited Norwich Township, and in June 1810, with his brother-in-law, Peter De Long, and purchased 15 000 acres of land. Lossing settled there in 1811. The De Long family and nine others, principally from Dutchess County, joined Lossing the same year and by 1820 an additional group of about fifty had settled within the tract, many were Quakers. A frame meeting house and burial ground were established just north of Norwich village in 1817. See a paper about the Norwich Meeting in the [Canadian Quaker History Journal, No. 75, p.16 - 23.](#)

Meetings began in 1812 and Norwich Preparative Meeting was established in 1816 under Pelham Monthly Meeting. In 1819 Norwich became a Monthly Meeting and these meetings were established under Norwich: Yarmouth (Sparta), 1823; Malahide, 1822; Ancaster, 1816; Pine St (South Norwich), 1819.

To Norwich Monthly Meeting held by Adjournment from the 8th day of the 4th Mo. 1831 to the 13th of the same – By the Advice of the Half Year Meetings Committee appointed to advise and Assist Said Monthly Meeting

Dear Friends, after hearing the evidence on both sides of the question in regard to your many complaints, as far as was thought proper to investigate for the cause of truth – The great trials we are brought under an account of the many discords which are prevailing amongst you, after our Laborious task in attention to the evidence Brought before us, and which still remains in our hands, And under a deep sense of sorrow for you, Have Mourned in Heart for our Brethren, who, once enjoyed that union & Brotherly love, which appeared to have been Amongst you – When the infancy of this settlement was growing up to more Wealth, you seem gradually to have lost Brotherly love and forbearance that once prevailed Amongst you – And We feel no disposition to set up [arty or support them when they are set up, as we feel a tender Regard for your all, And by way of Charity & Brotherly love for you in your many trials, do advise you to cast your view beyond this perishing World in hopes of entering into that Everlasting Kingdom of Glory with God and the Lamb, surrounded with Glory and legions of Angels with God and the Lamb for Ever – For with the hope of Glory set before the Righteous in all ages

Right

Which caused the Patriarch Abraham to tell his Brother Lot – I pray thee; Let there be no strife between thy herdmen and mine giving the preference of choice to his Brother Lot – This Glory set before the Prophets caused many of them to become wanderers in the earth And strangers to wealth And applause – Despised and persecuted by the Wicked children of Men – The Glory of that Heavenly Kingdom caused the Early Apostles & Disciples of our Lord and saviour Jesus Christ With many of the Martyrs in different ages, to cast all Worldly glory behind them Some expired in flames at the stake – many died on Gibbets for the cause of truth in the Earth – And our Worthy forefathers held property as of no reputation preferable to the World of Glory laid up for the Righteous – Thus their word was a Law – No property could make them forfeit their Words, thus they Have established the character of the society – so well known for Honesty, justice and uprightness in all their dealings with the Children of men – And we mourn to see so many evidence to confirm a disposition manifest to sever from early agreements, as we find in the evidence before us – And we do advise you all to abide the survey as heretofore made by Peter Lossing, And in Love to you all – say, be not disposed to alter, change or disturb your neighbours – thus shewing to all, though we may lose something that otherwise we might have obtained in contention – But agreeable to our well known Principles – that is to suffer wrong rather than do wrong – thus as we become willing to turn the cheek to the smiter under the Holy cross of Jesus Christ Our Lord, we will be enabled through the divine grace of God to let the foolishness of contending for the fading bubbles of this World pass away, for in a few Days we must all pass from this World into the endless eternity of woe and misery or life Everlasting – And the responsibility that rests upon us in this day of rending and division lest we let fall the testimony of our forefathers which has been a shining ornament to the Nations – And that you may feel the necessity of laying down all

Image 116

Left

Your Complaints against each other and cease to contend any more – for if any seem to be contentious amongst us we have no such custom nor the churches of God therefore we say Brethren cease to contend is our advice to you & those that cause disputes Let them be dealt with as disturbers of the Brethren – Finally Dear Friends in that hour which casteth out all fear, we unfeignedly O Lord spare thy people and give not thine Heritage to reproach but gather them in the day of thy Gathering.

Signed on Behalf of the Half Year Meetings Committee By John Hill, Asa Randall, Jonathan Bowerman & Gilbert Dorland.

An extract from the Yearly Meeting Minutes has been read in this Meeting purporting the appointment of a large committee to visit Quarterly & Monthly Meetings An render such Advice And assistance as truth might open the way for, A part of which committee are present to Wit Isaack Thorne – Silas Cornell – Zacheus Hill, Joseph Talcott – Thomas Townsend & Asa Randall – Also four of the Half Year Meetings committee appointed to assist this Meeting Viz Asa Rogers – Asa Randall – Jacob Winn & John Hill – and have rendered the following Advice which is united with – And is as follows –

To the Monthly Meeting of Friends held at Norwich

A part of the committee appointed by the Yearly Meetings of New York to Visit some of its subordinate Meetings in conjunction with part of a committee of the Half Years Meeting of Canada to visit the Monthly Meeting of Norwich having Met at Norwich to consider the state of things existing there now lay before the Monthly Meeting the result of their deliberations.

In endeavouring to investigate the grounds of that party feeling that has disturbed friends here We have as we believe given the parties a ful and patient hearing and after deliberately weighing the great body of testimony presented to us, We are unanimously agreed in sentiment that the irregularities that have accrued in transacting some of the business, have rendered those transactions such as cannot be consistently recognized as the proceedings of a Monthly Meeting.

It appears that in third Month last so great a disunity occurred that two parties were formed in the Monthly Meeting acting in opposition to each other, And that the feelings that thus interrupted the order of the Meeting continued to separate friends until sixth Mo. when they were brought together by the intervention of a committee

from the Half Year Meeting, we consider all minutes of that period improper to remain on record and we advise that they be removed from the book and not considered as records of the Monthly Meeting.

We would Also recommend that the complaints against Adam Stover, Frederick Stover, Job Peckham & Andrew Cohoe Receive no further attention and that these complaints be considered as if they never had existed.

In relation to the dissatisfaction with the boundaries of your land we do most earnestly intreat you, that you proceed no further in that business in an opposing and contentious spirit Knowing that such a spirit is utterly at variance with the precepts of our Blessed Lord Who said All things whatsoever Ye would that men should do to you do ye even so to them – You need not that we should tell you that your peace consists in a submission to the Holy precepts of the Gospel, for we believe you are sensible that true christianity leads to that State which is pure, peaceable, gentle and easy to be entreated, full of goof fruits without partiality & without hypocrisy, then you can enjoy the blessings of these precious feelings towards each other. Your intercourse will be marked with love and harmony & you may safely engage in the Adjustment of your temporal affairs with a well grounded hope of its being done, to mutual satisfaction but without an earnest and honest exertion to attain this state of mind your peace will no more return unto you.

When you find yourselves in a state that you can with safety and propriety step forward in such measuring as may legally settle and establish your boundaries let each endeavour to make the way easy for his brother and your present difficulties will be at an end.

What has appeared to you like mountains will sink to atoms and you will then and not till then

A letter of Advice, (from a sub-committee of a committee appointed by the Yearly Meeting to extend such counsel and advice as way might open for to some of the subordinate Meetings) was read in this Meeting to general satisfaction and is directed to be inserted in our records – And is as follows –
To the Monthly of Norwich

A committee being appointed by the Yearly Meeting to extend such council and advice to some of the subordinate Meetings as way might open for And we a sub-committee of that number, being painfully apprized that the advice of the Yearly Meetings committee of last year, together with that of the Half Years committee has not had a tendency to unite you together in Brotherly love, think proper thus briefly to address you –

We find on examination that a committee of the Half Years Meeting of Canada, after patient investigation of the difficulties among you, giving you an opportunity to produce all the evidence, on both sides of the question that you could Desire, came to a decided judgment in the case and that subsequently a committee from the Yearly Meeting in conjunction with that of the Half years committee after giving you a rehearing came to a judgment, A copy of whose advice is now before us.

By this it appears that they advise you to remain entirely quiet as it relates to the boundaries of your land, until you could unitedly adopt some plan to adjust them. From the best view we can take of the subject, this advice is such as meets our approbation. Before any movement can be made advantageously to your Meeting party distinction must cease.

The safety of every meeting consists in harmony and unity. We therefore repeat the advice, that you not only remain quiet as it relates to the existing controversy but that you endeavour on all occasion to cultivate Kind Brotherly

Dear Friends under our appointment to visit and sympathise with You, we feel greatly Humbled under a deep sense of sorrow for your Many trials and disorders we find amongst you – O that you may center down in that Holy redeeming Spirit

Image 130

And let mercy and charity run through all your actions and be still, let what has past suffice that you may wait and proceed no farther in Dealing with those, who are not on the Monthly Meetings minutes in respect to altering the Road unless new movements are made to Disturb the peace of this neighborhood.

And Dear Friends you who have in some measure been moving to alter or change your Road – Place your Hope in your Redeemer and Stand still in peace and the quiet, for in disturbing your neighbour your ruin will be, – for in stirring up your old difficulties you will thereby bring trials on yourselves and great Distress on your Friends throughout this Meeting.

Place your confidence in your Heavenly Father and not in the Kingdoms and courts of Men – In great tenderness for you all we sincerely offer up our Humble supplication, to the throne of the Almighty Preserver of the universe, that you may be gathered to his name & Honor, And unless you individually feel the necessity of such Humble watch fullness in vain is the help is man – And assistance from our superior meetings will no more found to relieve you – And you will be a wasted and scattered People – O that Your hearts may be softened into that spirit of meekness and brought into that unity of acting, by that spirit restoring Love – and the breaches in the walls of Zion may be Repaired – that we may have Judges as at the fors and counsellors as at the beginning, is our sincere desire for you –
